<b>Defendant.</b>	)	

The Court has received the Second Revised Presentence Investigation Report and Addendum ("PSR") and the Defendant's objections and request for a departure from the guidelines (Filing No. 62). The government has not objected to the PSR. See *Amended Order on Sentencing Schedule*, ¶ 6. The Court advises the parties that these Tentative Findings are issued with the understanding that, pursuant to *United States v. Accordingly,

IT IS ORDERED:

2. The Court intends to adopt the PSR in all other respects;
3. If **any** party wishes to challenge these tentative findings, the party shall immediately file in the court file and serve upon opposing counsel and the Court a motion challenging these tentative findings, supported by (a) such evidentiary materials as are required (giving due regard to the requirements of the local rules of practice respecting the submission of evidentiary materials), (b) a brief as to the law, and (c) if an evidentiary

hearing is requested, a statement describing why an evidentiary hearing is necessary and an estimated length of time for the hearing;

4. Absent submission of the information required by paragraph 3 of this Order, these tentative findings are final;

5. The Defendant's request for a departure from the guidelines will be heard at sentencing; and

6. Unless otherwise ordered, any motion challenging these tentative findings shall be resolved at sentencing.
